# st.success

Display a success message.

### **Function signature**[source]

st.success(body, \*, icon=None)

#### **Parameters**

body (str) The success text to display.

An optional emoji or icon to display next to the alert. If icon is None (default), no icon is displayed. If icon is a string, the following options are valid:

icon (str, None)

- A single-character emoji. For example, you can set icon="@" or icon=". Emoji short codes are not supported.
- An icon from the Material Symbols library (rounded style) in the format ":material/icon\_name:" where "icon\_name" is the name of the icon in snake case.

For example, icon=":material/thumb\_up:" will display the Thumb Up icon. Find additional icons in the <u>Material Symbols</u> font library.

# Example

```
import streamlit as st

st.success('This is a success message!', icon="♥♥")
